Production Capacity

- ➡ **24/7** live customer support (we're ready to deal with our clients around the year without any break in the operation process)
- ➡ We can deliver around over **5,000+ images a day (in 24 hours)**. We've dedicated and expert graphic designer. They are highly experienced and trained. So, they can produce the aforesaid amount a day for our valued clients to meet their needs.
- ➡ Our turnaround Time is eight hours. We can deliver over **2,000+** images in this timeframe for each of the client. However, the quantity of photos depends on image quality and sizes. In brief, the production quantity may increase or decrease based on the complications of the image editing jobs. If the photos are easier to edit, the number crosses. And if the photos are complex, the number may reduce too. But, if you need any quick service and order a large number of files, we also provide that with a negotiation.
- ➡ You would be glad to know that we use the latest tools and technologies here. We have the modified computers to take the photo editing loads. Besides, we never work with pirated photo-editing software. Rather, we use the premium software so that our clients get the best-edited images for their respective purposes.
- ➡ Our graphic design rate very reasonable **Starts \$10** and photo editing charge **Starts \$0.50**. But the price may vary based on the techniques and requirements and time it takes for the task. Please remember, we also provide a flat discount for bulk orders to our clients.
- ➡ Multiple photo transferring method makes the process easier to send or receive images at any format. Our valued clients can send us a photo in a large amount while they can receive the images in the same way.
- ➡ We can also deliver edited photos from Camera Raw files. Many of the photo editing agencies is unable to provide this particular service as they lack the necessary expertise and skills. But we humbly take pride in that.
- ➡ Several and convenient payment methods make it comfortable to pay us. Our clients can pay us using direct bank transfer or using debit or credit cards. Moreover, we receive payments using Western Union, Discovery or other convenient payment modes.
- ➡ We don't charge any advance from our clients for the jobs. They pay us once the editing is complete. Besides, we also have provision for refund. If our clients are unhappy, we have a **money-back guarantee** for them.
- ➡ Our company operates three shifts a day to meet the growing needs of our global clients.

Ordering Process

Finally, considering all the grounds above, anyone from any parts of the world can reach us for photo editing and graphic designing jobs. We manipulate the images based on the needs and directives of our clients. During the entire process, we're careful about specific issues to be focused.

First of all, we try to deliver the best for us to make our clients happier than before.

Secondly, we're always ready to revise the images for a certain time to meet the needs.

Thirdly, free trial options also make it easier for our clients to decide on getting our services.

Fourthly, we're a team of professionals. We know the value of time and money. So, we provide the best efforts to make the images look as the best and be visible among hundreds of their competitors.

We don't need any conventional form of advertisements. Our edited photos speak for us. Therefore, you can get our services to meet any of your image editing needs.

Only regular clients can have the opportunity to give us **Weekly or monthly payments**
